Important Notice: Gerringong Bowling & Recreation Club Vaccination Policy

Dear Member,

We wish to advise that the Gerringong Bowling Club Board of Directors have made the decision to extend the requirement of mandatory proof of COVID-19 vaccination (or medical exemption) for individual 16 years of age and over, as a condition of entry for all staff, members and patrons beyond 15 December 2021. This policy will be reviewed again on 31 January 2022 or earlier if health orders or other circumstances warrant.

We believe that this decision is in the best interest of our members and community as our top priority continues to be the health and safety of our staff, members and patrons.

We ask that you are kind and respectful to our staff who are here to assist and ensure you have the best experience possible.

Kind Regards

Bruce Weir
